

OSKORP WINDOW SEALING SYSTEM

NEW

OSKORP

DUOEASY

The smart Flashing & Sheathing Tape

- Internal and external window sealing
- Smart moisture-adaptive Sd-value
- With finger lift and split liner
- Stops draughts and moisture

HANNO

BG1 TAPE

Extremely durable Hanno-BG1 clearly exceeds the requirements for protection against driving rain, airtightness and resistance to weathering according to the highest standards for joint sealant tapes.

HANNO

3E TAPE

Ideal for an easy and reliable sealing of windows and doors during any weather, the „all-in-one“ multi-functional tapes are the optimum choice. Their moisture-adapting membranes ensure that the joint can dry out all year.
